Iron and Steel Control

Calcutta-1, the 11th May 1964

PUBLIC NOTICES

SUBJECT : Appeals against the decision of the licensing authorities in respect of Iron & Steel items including Ferro-Alloys under the licensing jurisdiction of the Iron & Steel Controller.

No. 1/1-28/IP/64—It is hereby notified for general information that licencees not satisfied with the decision of the licensing authority should follow the following procedure in preferring their appeals :—

(i) First appeal against the decision of the licensing authority may be made so as to reach within 30 days from the date of the order appealed against. Parties making First Appeals should write the words "First Appeal" in bold letters at the top of their First Appeal so that such appeals are received in the concerned Appeal Section without any avoidable delay.

The names of the authorities to whom First Appeal may be lodged are indicated below :—

Licensing Office and 1st Appeal to be preferred to :

Regional Office of Iron and Steel Controller at Delhi—Assistant Iron & Steel Controller, New Delhi.

Regional Office of Iron & Steel Controller at Bombay—Deputy Iron & Steel Controller, Bombay.

Regional Office of Iron & Steel Controller at Madras—Assistant Iron & Steel Controller, Madras.

Iron & Steel Controller's Office at Calcutta (Steel Import Division)—Deputy Iron & Steel Controller, Calcutta (Steel Import Division).

(ii) If the appellant is not satisfied with the decision given against the First Appeal he may submit a second appeal to the Iron & Steel Controller, Calcutta (SIC Appeal Cell) so as to reach him within a period of 30 days from the date of the order of 1st appeal.

(iii) Applications for review of the Iron and Steel Controller's order will also be given due consideration provided these are submitted within thirty days of the issue of the order in question and the request for revision or review is based on defects of procedure or on interpretation of the I.T.C. regulations. After this appeal for review of Iron & Steel Controller's decision has been disposed of no further request/appeal for review or revision of decision will be entertained and no replies will be sent to such communications.

(iv) It has been noticed that some times the appeals or representations do not state the point at issue succinctly and contain much irrelevant material which inevitably delays disposal. It will help the appellate authorities if each appeal is accompanied by a proforma giving the following particulars in a tabular form :—

- (1) Name and address of the applicant.
- (2) Licensing period in respect of which appeal is made.

- (3) Licensing authority against whose decision appeal is made.
- (4) Serial Number and part of the I.T.C. Schedule of the item in question.
- (5) Brief description of the goods.
- (6) Number and date of the communication containing the decision appealed against.
- (7) A brief statement indicating the grounds on which the application/first appeal has been rejected.
- (8) A very brief statement of the grounds of appeal.
- (v) The following documents should be submitted along with the appeal :—
 - (i) Copy of the letter of the licensing authority against which the appeal is preferred.
 - (ii) Copy of the original application.
 - (iii) If the appeal is in respect of a question of fact all the original documents forwarded with the original application if returned by the licensing authorities or copies thereof or any fresh documents which it may be deemed necessary to produce.
- (vi) A copy of the Second Appeal to the Iron and Steel Controller (Appeal Cell) should invariably be endorsed to the Head of the Office in which the application was originally entertained and rejected.
- (vii) Appeals not submitted within the time limits prescribed above will not be entertained.
- (viii) All appeals should be clearly marked at the top in bold letters, viz., "First Appeal", "Second Appeal", etc.

The 12th May 1964

SUBJECT : Import under AID Loan (Proscribed Ships)

No. DC/Genl/PN(SH)—Attention of the importers, holding Import Licences issued by the Iron and Steel Control Organisation under AID Loan, is invited to the Public Notices of even numbers, dated 30th September 1963, 18th December 1963, 10th February 1964 and 21st April 1964, notifying the names of 200 Vessels declared ineligible to carry AID-financed materials. It is felt that amendments in the lists of Proscribed Ships attached by the banks with their Letters of Credit opened by them in incorporating therein the fresh additions of names of ineligible Vessels notified from time to time may lead to difficulties. In order to overcome this, it has been decided that the Letters of Credit opened on the authority of the Iron and Steel Controller under Commitment procedure and those opened under reimbursement procedure on U.S. Banks by the Indian Banks, may, instead of detailing the list of ineligible Vessels, henceforth stipulate, for the production of the following certificate :—

"The Vessel owner or operator certifies that the Vessel which will perform under this contract is not a Vessel which has been banned by AID for transporting AID-financed goods. The Vessel owner or operator further certifies that they assume full responsibility for any claim filed by AID Washington or any other authority, in case of violation of the requirement."

The particulars of Vessels declared as ineligible to carry AID-financed goods will however continue to be notified as heretofore for the guidance of all concerned.

In case of imports of steel materials under DLF Licences issued by the Iron and Steel Controller, the shipment is required to be made only in U.S. Flag Vessels/Indian Flag Vessels in the ratio as stipulated in the respective licencing instruction. Shipment is also allowed in a third Country Vessel in special circumstances, after the prescribed conditions have been fulfilled.

The 12th May 1964

SUBJECT: Issue of Letter of Authority in favour of Importing Houses against Import licences for Iron & Steel items at the request of Licence-holders.

No. 1/1-28/64—Attention is invited to Iron and Steel Controller's Public Notice No. 1/1-28/64, dated 13th February 1964 in which Indenting Houses/Sole Selling Agents in India of foreign suppliers were requested to get their names registered with the Iron and Steel Controller, Calcutta for the purpose of issue of Letter of Authority.

2. Response to the above-mentioned Public Notice has been very poor. Indenting Houses/Sole Selling Agents are again requested to get their names registered in accordance with the procedure laid down in the Public Notice at the earliest in their own interest.

3. It may please be noted that up to 31st May 1964 issue of Letter of Authority in favour of Indenting Houses/Sole Selling Agents will be considered in accordance with the old procedure, i.e., on submission of necessary guarantees by the Indenting Agent and the licence-holder. On and from 1st June 1964 the new procedure as laid down in the above-mentioned Public Notice will be strictly followed, and issue of Letter of Authority in favour of any Indenting House/Sole Selling Agent who fail to get their name registered in terms of the Public Notice, would be considered only on production of the necessary documents as mentioned in the Public Notice.

The 13th May 1964

No. ESS.COMM/IRON & STEEL—4, 5 & 15/1—In exercise of the powers conferred by Clauses 4, 5 & 15 of the Iron and Steel (Control) Order, 1956 and with the approval of the Central Government, I hereby authorise that, subject to the general conditions specified below, any person may acquire or agree to acquire and any person may dispose of or agree to dispose of without any quota certificate or permit or authorisation, the articles specified in the Schedule annexed to this Notification (hereinafter called Special Steels) at such prices as may be negotiated by the seller and the purchaser :—
